Tourism is NOT the Goal... It is the Means to an End

Tourism done right is a catalyst for economic growth!

The New York State Tourism Industry Association (NYSTIA) assists our members in realizing the potential of New York's tourism industry to advance responsible, sustainable economic growth, create local jobs, add vitality to our destination communities, support small business success and increase state and local tax revenues.

We measure success in the improved standard of living, quality of life and pride of place for New York State communities and residents.

The New York State Tourism Industry Association (NYSTIA) is a member-driven, member-directed, 501(c)6 nonprofit organization at the vanguard of transformational tourism marketing, stewardship and long-term strategic thinking.

Ulster County residents enjoy many amenities and an enriched quality of life that simply wouldn't be possible in a community our size without the financial support of visitors. Lively arts and cultural facilities, diverse dining establishments, museums, attractions, and unique retail shopping and recreational opportunities rely on visitor patronage to survive and flourish.
